Essex County Champions!! The 1987 Mock Trial team spent nearly two hundred hours preparing for its victory over twenty other teams in the Essex County Competition. Led by attorneys Vincent Antonelli, Mario Pompeo, George Hansson, and David D'Onofrio, the team prepared its case, questioned its witnesses, went to court, and won!

Sponsored by the New Jersey Bar Association, this activity is open to all students interested in being lawyers. Every year the team is given the outline of a legal problem which it must prepare for argument before actual Superior Court judges. The aim of the Mock Trail is to train students in legal procedure. The members of the team would like to thank attorney-advisor Harold Ferguson and teacher-advisor Dawn Barrett for their time and hard work throughout the competition.

Craft Show was held to raise money for charity and to fund the yearly activities. There was also an alumni volleyball night. At press time, the N.H.S. was planning a balloon launch charity fundraiser; a trivia game, volleyball game and dinner with the faculty; and the annual induction dinner in May. The officers, Adam Rosen, Laura Phelps, Chris Ruotolo, and Vinnie Antonelli would like to extend many thanks to our advisor, Dawn Barrett, for her great help in making this a fun and productive year for the N.H.S.

Liner Notes

Ask any senior to pinpoint a yearbook theme that best describes James Caldwell High School, and his automatic response will be — ROCK-N-ROLL!! The latest rock concert tee-shirts are daily on display on the backs of students as they parade through the halls.

Classes, sports, and clubs aside, music is what JCHS students live by. No matter what sport or what season, a Chiefs' fan can always see the cheerleaders cheering to a rock-n-roll beat. Every so often one will hear the screaming of an electric guitar quietly emanating from a tape in a hallway locker, or see a student beating his pencil and nodding his head to an imaginary drum beat. Even the most controversial decision of the senior class involves rock-n-roll. Think of how many fights there have been over what the prom song should be. And, of course, we all must admit that the ONLY way to do homework is with either the radio or MTV blasting.

There is no better way to capture memories than in pictures and songs. So, we hope in years to come when you hear Bruce Springsteen or Bon Jovi on the "old folks" radio station, you'll pull out this yearbook and remember all the good times at James Caldwell High School.

Our thanks to a GREAT Clarion staff, and Good Luck to the Class of 1987!!
